Dear Fellow Property Owners:

Young Nak Church of LA strongly supports Lincoln Heights Business Improvement District (BID) renewal.

BID works hard to keep our neighborhoods clean and safe while supporting community events. BID was instrumental in bringing the community together in dealing with critical issues surrounding Barranca Street and N. Ave 18 near our church. We are very thankful for the help and support when our church had to work with the LA City Councilmember's Office and LAPD.

We hope you support BID by voting "YES" so that they can continue to work for our community.

Thank you.
